

Technical paper.

Warm off-white ground, green-cast near-black ink, and one blue that does every job — primary, accent and focus ring all derive from it. Light-only by design. There is no dark variant, which is the opposite call from the console.

Brand

ONE BLUE, FOUR ALPHAS

--BRAND → PRIMARY · ACCENT · RING

#2f6ad1

The same value as the logo tile — it is not logo-only.

--brand-h1 · #2a5ebb

--brand-a20 · ring, ::selection

--brand-a12

--brand-a06 · --accent

Neutrals

INK IS GREEN-CAST — NOT SLATE, NOT PURE BLACK
